

Welcome to Hot Shott!

As lovers of good food, good coffee and good times we have always wanted to bring something special to the GC and we are thrilled to be able to share our dream with you. We are absolutely passionate about what we do and hope that our passion shows throughout.

The best thing is, you can have **anything** off our menu at **any time of the day** so we'll always be able to scratch that itch and if somehow you can't find something you like, just ask us and we'll do our best to accommodate you. Thank you for coming down to visit us, we hope you love Hot Shott as much as we do!

Jenna and Kellie

PS Make sure you try our signature truffle, Parmesan and rosemary duck fat fries!
